

CAPA - Music Education and Aboriginal Education
Musica Viva in Schools Performance 'Wyniss' (8/05/2024)

On Wednesday, the 8th of May, our school will host our annual Musica Viva in Schools performance in the school hall. This is a performance by the group 'Wyniss', who will share the culture, song and dance from the Torres Strait Island of Mua. This incursion supports a unit of work being studied in each class's weekly music lesson with Mrs McIntosh. All students are expected to attend this event.

There will be two performances on the day. Years K-2 will attend a concert at 12pm and Years 3-6 will attend a concert at 1:55pm. The wider school community are also invited to attend.

TORRES STRAIT SONG AND DANCE - WYNISS

While childhood games may just seem like pure fun, they are also an important record of our history. From spinning tops to string figures, this wildly entertaining and colourfully costumed ensemble show how culture and history are passed on through singing, dancing and games. By comparing their own childhood games to those from the Torres Strait, students come to understand the importance of traditions, and to be thankful to those who teach them. Presented by Musica Viva Australia In Schools in conjunction with NAISDA Dance College.

Important information

In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the Department of its duty of care to students that may result in claims for compensation.

Parents/Carers are advised to assess the level and extent of their child/ward's involvement in the sport program offered by the school, school sport zone, region and state school sport Associations when deciding whether additional insurance cover is required prior to their child/ward's involvement in the program. Personal accident insurance cover is available through normal retail outlets.

Parents/Carers who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements, as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the loss of use of certain prescribed parts of the body. The Supplementary Scheme does not cover medical costs or dental costs. Further information can be obtained from <https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/#gref>.
