Dear Parents,

To enhance our students' understanding of topics throughout the year it is often beneficial to view DVDs related to the unit of study. In addition, the new English syllabus specifically includes the study of the portrayal of issues and literature in DVD form.

Many of these DVDs are rated PG and, as such, require parental permission to allow students to view them at school. All DVDs that would be used have been viewed by staff and deemed suitable and age appropriate for the students.

To enable students to view DVDs at appropriate times, could you please complete the attached permission note and return it to your child's class teacher as soon as possible.

If you wish to discuss this issue, please contact your child's class teacher.

Thank you for your assistance,

Kristin Hardge  
Stage 2 Coordinator

Sheryl Cootes
