SCHOLASTIC BOOK FAIR 2020

Dear parents and carers,

Our Book Fair is being held this year under COVID-19 restrictions that will not allow parents on site to browse the books available. Your children will have time during library class in the first week of next term to browse and write their wish lists, which they will bring home to discuss their choices with you. If you decide you would like to purchase any of the products on your child's wish list and/or any of the other items listed below, you have two options for payment.

1. Go to www.scholastic.com.au/payment recording the details requested in the back of the wish list and have your child bring the list and receipt details to me at school. I will deliver the orders to your child's classroom as soon as I can do so (some items may require ordering if they are popular titles and will arrive shortly after the end of week 2, term 4). Please note that I will only be able to supply books to students who return their wish list to me, with the payment section completed.
2. Send your child to school with cash to pay for their own selections from the Book Fair. They will be able to purchase during class sessions, or on their designated library lunch day.
