Additional Enrolment/Permission Information

Publication Permission and Consent

We are seeking your permission to allow the school/Department of Education to publish and/or disclose information about your child for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published or disclosed include but are not limited to:

- Public websites of the Department of Education including the school website, the Department of Education intranet (staff only), blogs and wikis
- Department of Education publications including the school newsletter, annual school magazine and school report, promotional material published in print and electronically including on the Department's websites
- Official Department and school social media accounts on networks such as YouTube, Facebook, Twitter, Instagram, ClassDojo and other associated promotional material.
- Local and metropolitan newspapers and magazines and other media outlets

Parents should be aware that when information is published on public websites and social media channels, it can be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information. Published information can also be linked to by third parties

If at any time circumstances arise where permission is no longer given, this must be provided in writing to the Principal.

I have read this permission to publish and:

Tick the appropriate box

- I give permission
 I do not give permission

to the school/Department of Education to publish information about my child as described above, including in publicly accessible communications.

This signed permission remains effective until I advise the school otherwise.

Students with Anaphylaxis

Students with severe food allergies are in attendance at the school. These allergies are LIFE THREATENING. We request that you do not send nut-based or nut products with your child to school.

I have read and understood the need to avoid sending my child to school with nut or nut based products.

Blackheath Public School is a nut aware school, not a nut free school.

Online Learning Platforms

As part of the school's teaching and learning resources/strategies, your child(ren) may have access to platforms that include but are not limited to Nessy, Mathletics, ClassDojo, Reading Eggs, Google Classroom, getEpic, SeeSaw and ClickView.

I DO give permission for my child to access the online platforms

I DO NOT give permission for my child to access the online platforms

In order to access these online sites, your child(ren) will be required to create a user profile which may include personal information such as name, class and other identifying details.

Parents and staff will be provided access to the student's account. Parents are encouraged to monitor their child's online accounts in order to maximise learning opportunities.

Please Note: This additional enrolment/permission form is valid for the duration of your child's enrolment at Blackheath Public School. You may withdraw or adjust any of the above consents at any time by informing Blackheath Public School in writing.

If you have any queries or need further clarification regarding the above consents then please see the Principal.
