Grandparents Day Concert and Easter Hat Parade 2024

On Thursday, March 28th, our school will host a Grandparents Day Concert and an Easter Hat Parade.

We invite Grandparents, grand-friends, and those who take on the role of a grandparent in our students' lives, to attend our Grandparents Day Concert. The concert will commence at 12:00pm in our school hall. Every child in the school will perform! There will also be a book sale in the School Library for Grandparents who would like to donate a book to our school. Some light refreshments will be provided for our guests, and we invite you to bring lunch to share with your grandchild.

At 2:00pm we will hold our Easter Hat Parade. All students are asked to decorate a hat at home which they will then proudly parade. We warmly invite all members of our school community to attend.

We hope you will be able to join us.
