Dear Parents,

To enhance our students' understanding of topics throughout their primary years (3-6) it is often beneficial to view visual media related to the unit of study. In addition, the English syllabus specifically includes the study of the portrayal of issues and literature in digital form.

Many of these visual media resources are rated PG and, as such, require parental permission to allow students to view them at school. All media that would be used have been viewed by staff and deemed suitable and age appropriate for the students.

To enable students to view these types of media at appropriate times, could you please complete the attached permission note and return it to your child's class teacher as soon as possible.

This once off permission slip will cover the time your child is in their primary years (3-6) at Blackheath Public School.

If you have any questions or concerns, please contact your child's class teacher.

Thank you for your assistance,

Philip Yeong  
Stage 2 Coordinator

Tasrah Marshall  
Stage 3 Coordinator
