

Stage One will be visiting Scenic World in Katoomba as part of our history, geography and quality literature studies about Australia and local places. This is our major excursion for this semester and is a much-anticipated event for the children.

PARENT HELPERS

We will have a limited number of places available for parent helpers. In keeping with the DoE Excursion Policy, all parents assisting will need to have completed the Working With Children Check. If you are able to help and have not completed the paperwork, please contact the school office. Please complete the relevant section on the permission note to indicate if you are able to assist. Normal adult entry fees, starting at \$39.50, will apply at Scenic World. Due to limited seating on the buses, we ask that you meet us at the venue.

EXCURSION COST

The actual cost for this excursion is \$55 per student. However, we understand the pressure of living costs to families in these times. As such, the school will be subsidising \$10 per child for this excursion. The cost indicated in the payment section of this excursion is the cost payable for each child.

WHAT TO BRING

Children will need to bring a bag with their morning tea, lunch and plenty to drink. Children tend to eat more on excursion days, so you might like to include some extra food items as well as at least two drinks. No glass or cans, please.

Concussion Clearance

The Australian Medical Association recommends students being symptom free of concussion for 14 days before returning to sport.

- If your child/ward sustains a concussion, or experiences any concussion symptoms, in the 14 days period prior to the event commencing, you must report this to team officials, and a medical clearance is required in order for your child/ward to participate in the event.
- Medical clearances can be attached to this consent form or can be submitted to team officials separately.

Important information

In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the Department of its duty of care to students that may result in claims for compensation.

Parents/Carers are advised to assess the level and extent of their child/ward's involvement in the sport program offered by the school, school sport zone, region and state school sport Associations when deciding whether additional insurance cover is required prior to their child/ward's involvement in the program. Personal accident insurance cover is available through normal retail outlets.

Parents/Carers who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements, as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the loss of use of certain prescribed parts of the body. The Supplementary Scheme does not cover medical costs or dental costs. Further information can be obtained from <https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/#gref>. Further information regarding student accident insurance and private health cover is provided at: <https://app.education.nsw.gov.au/sport/file/1449>.
