

PARTICIPATION, TICKETING AND MEDIA CONSENT DEED

A Katoomba High School representative will be taking photographs throughout the evening performance. For this reason, should any footage be published for promotional purposes, we wish to ensure that we have permission from each dancer's Parent / Legal Guardian prior to so doing. Staff at each participating school are responsible for distributing, gathering and filing these forms. Each school is responsible for notifying Katoomba High School of any publishing restrictions.

Signing the form below demonstrates that the Parent / Legal Guardian acknowledges the participation of their child in the 2018 Upper Blue Mountains Dance Festival. This form acknowledges that consent is given for their child to have their photograph taken and potentially published in a public forum.

In addition to this, tickets are available for purchase online at <https://www.trybooking.com/421068>

From Monday 10 August 2018. Tickets will **NOT** be sold on the night of the performance. Once tickets are sold out online there will be no further tickets available. *Tickets must be shown at the door.

Please return the slip below to your school's dance coordinator or front office.

Kind regards,

Courtney Brown
